## Presidential Changeover Dinner

Fortunately, the Rotary Club of Hawthorn, by transferring our presidency from Neil Roberts to Meredith Hayes on Thursday, comfortably overshadowed the transfer of prime ministership to Julia Gillard in Canberra on the same day: We surely had a lot more fun, a lot more predictability (our event was planned months and years in advance!), and a lot less media coverage.

## Formal Changeover

President Neil and President Meredith each acted and spoke as well as any purist could have wished!

Flowers were *de rigeur*

## Presentation to Bill Troedel

## Yes We Will

President Meredith splendidly echoed the rhetoric of President Obama as she introduced her vision for the Rotary Club of Hawthorn in her year, as she said “*Yes We Will*” against so many of the traditional Rotary activities.

## Geoff Dumayne Awarded Paul Harris Fellowship

AG Gabrielle Morgan does the honours

**Police Inspector Gill Wilson** has ended her year of being mentored by Ian Macfarlane

What was the secret comment?

Anyhow, the deal was sealed with flowers!

## Police Mentoring

The Rotary d9800 police mentoring has recently come to the end of its third year with a breakfast at the RACV Club. By all accounts, it is proving very successful with those police officers who win a coveted spot in the program—like ‘our’ popular mentee, Inspector Gill Wilson. Each mentee has a mentor from business, as well as a mentor from Rotary.

Our mentors have been Henry Drury, then Ian Macfarlane (this year ending); and next year Lawrence Reddaway will fill the role.

## Geoffrey Davey says it for us all

As I shall attend the Barham annual jazz festival over the up-coming week-end, regrettably I am an apology for the most important function in the club year; nevertheless, I wish all in attendance a happy and joyful occasion.

I heartily congratulate Neil on the completion of a very successful year in Hawthorn, with some appropriate innovation.

I warmly support Meredith at the outset of a worthy and significant undertaking and wish her a successful and satisfactory year at the helm of a good club.

## Around The Changeover

### *Neil & Helen deserve their break!*

Nearly straight from the Green Acres Golf Club to the airport: we wish PP **Neil** and **Helen** a happy 3 weeks in Townsville, where they jet off to on Saturday. Is it a holiday? Hardly: it seems they are going to mind the grandchildren (aged something like 7 & 5) whilst their parents go off and do something else.

Then, *The Shadow* understands, in August, **Neil & Helen** are off to Spain to inspect another grandchild, due to arrive on 27 June.

### *John & Janet Gowers—50 not out!*

No secrets in our Club—especially when announced at the Changeover Dinner: Congratulations to the **Gowers** who have just clocked up 50 years of marriage!

### *Archie Crow—90 not out!*

The Shadow has learned that, by the time of our next meeting, **Archie Crow** will have clocked up another decade. Good luck with the next decade!

### *Max Brenner—Sleepless in Kansas?*

Ah, the heartache of absent kids—even adult kids. *The Shadow* has learned that **Max Brenner**’s daughter in Kansas has met a fella. He’s happy for her happiness, but worried about the risk of losing her to the USA.

*The Shadow*
